OFFICE OF LEGISLATIVE COUNSEL

Friday - 2 February 1968

- 25X1 1. [REDACTED]
- 25X1 2. [REDACTED] Met with George Murphy, Joint Committee on Atomic Energy staff, regarding a request from Chairman Holifield for a map of Asia pinpointing certain areas. A suggested map was provided for Murphy to discuss with Mr. Holifield.
- 25X1 At this time, Murphy also provided me with some identifying information which he had promised on [REDACTED] (This information was passed on to CI Staff which is doing a name check on [REDACTED])
- Mr. Murphy said that a time had not been discussed with respect to the annual briefing of the Joint Committee. He is quite certain this will not come up for the next few weeks. Murphy commented that the JAEIC report which we had provided them on a re-assessment of Soviet underground tests was one of the "hottest items" they had had in some time.
- 25X1 3. [REDACTED] Handcarried to William Woodruff, Senate Appropriations Committee staff, the Director's letter concerning a withdrawal from the Reserve.
- 25X1 4. [REDACTED] Met with Scott Cohen, in the office of Senator Charles Percy, by way of follow up to other conversations with Cohen in connection with their recent trip. Cohen again went to great lengths to compliment Ted Shackley on the briefing which he had given them. Cohen said they were also interested in getting a briefing on the situation in Vietnam.
- 25X1 [REDACTED] I told Cohen I thought this was primarily a matter of timing, that I would be in touch with our people to determine when the situation would be sufficiently stabilized to provide a useful briefing and would be back in touch with him.
